

## Underwear and Sock Collection Drives

Every child who shops at Hope's Closet receives brand NEW underwear and socks. We currently serve approximately 100 children a month through the boutique. Your organization, community or family and friends can provide a huge blessing by collection new socks and underwear to help us meet this continual need.

### **Underwear and Sock Needs:**

- Sizes 2T-Adult Sizes  
(Boxer briefs only for older boys)
- Underwear for Boys and Girls
- Socks for boys and girls 2T-Adult Sizes

### **Tips for a Successful Drive:**

- Place a water proof container on your porch. Utilize social media to invite friends to your "event" where for a few weeks they can drop off their donation of new socks and underwear into the tub on your porch. Update your audience as donations come in so they can see them add up. Think creatively!
- Invite organizations you are involved in to participate with you (Girl Scouts, Boys Scouts, 4-H clubs, youth groups).

When your drive is complete, donations can be dropped off to Hope's Closet during regular business hours. We are open from 9am-4:00pm, Monday through Friday. Please park in the rear parking lot and ring the bell to the left of the door. Donations can be left in the bins on the second floor. Evening drop off times are available upon request.
